

JOB DESCRIPTIONS FOR BIKE SHARE EQUITY POSITIONS

Evaluation Specialist

The evaluation specialist will work with the bike share team to develop data collection tools such as a bike share survey, analyze survey data, and aggregate information that will be used to create a report of our findings. The report will be used as tool to inform and recommend changes the City can take to create an equitable bike share system in the County. The evaluation specialist needs to have experience in qualitative survey analysis, particularly around gathering narratives. This is an independent contractor position that upon completion the payment will be \$1,260 (40 hours at \$30/hr).
