

JOB DESCRIPTIONS FOR BIKE SHARE EQUITY POSITIONS

Videographer

The videographer will work with the bike share team to capture visual stories from various community members and how they use transportation to/from/and within downtown, including bike share. The videographer will also follow the bike share team as they engage in community-driven survey collection and bike safety education. The short videos will document educational methods and capture qualitative data of communities of color and its relationship to bike share. The videographer is expected to produce about five very short videos and one video that is about 5-7 minutes in length that captures our project. This is an independent contractor position that upon completion the payment will be \$2,300 (46 hours at \$46/hr).
